

Medicaps University Hostel Resident Handbook

Section 1: Welcome and General Philosophy

Welcome to the Medicaps University residential community. The hostels are designed to provide a safe, inclusive, and conducive environment for study and personal growth. Living on campus is a privilege that comes with the responsibility of respecting community standards.

Section 2: Room Allocation and Maintenance

Rooms are allocated on a first-come, first-served basis, prioritizing out-of-state and international students. Residents are responsible for the cleanliness and upkeep of their assigned rooms. Any damage to university property will be billed to the resident's account. Routine maintenance checks happen monthly.

Section 3: Hostel Curfew and Timing

Security is a paramount concern for the university. Therefore, strict timing regulations are enforced. Undergraduate hostel residents must return to the hostel by 10:00 PM. No entries are permitted after this time without prior written approval from the Chief Warden.

Section 4: Guest Policy

Guests of the same gender are allowed to visit rooms between 10:00 AM and 8:00 PM. Overnight guests are strictly prohibited. Non-resident students must sign the guest register at the security desk.

Section 5: Disciplinary Actions in Hostels

Violation of hostel rules, including noise complaints, unauthorized guests, and possession of prohibited items (such as alcohol, illicit drugs, or unauthorized appliances) will lead to immediate disciplinary hearings.

Section 6: Emergency Procedures

In case of a fire or medical emergency, residents must follow the evacuation maps posted on every floor. The assembly point is the central campus field. Fire drills are conducted unannounced twice a semester.
